EDUCATION

DIT University

Bachelor of Technology in Computer Science Engineering — CGPA: 7.80/10

Dehradun, Uttarakhand

2023 – 2027

PROJECTS

StayEase – Airbnb Clone

GitHub

React.js, Node.js, Express.js, MongoDB, HTML, CSS, JavaScript, Python,

- Developed a full-stack Airbnb-inspired web application using the MERN stack
- Implemented secure user authentication, property listing management, booking system, and search functionality
- Built responsive user interfaces for guests and hosts using React.js
- Integrated MongoDB with REST APIs for efficient data management
- Designed scalable booking and property browsing workflows for an enhanced user experience

AI Expense Tracker & Predictor

GitHub

HTML, CSS, JavaScript, Python

- Developed a web-based expense tracking application with a clean and responsive user interface
- Implemented expense categorization, transaction management, and basic expense prediction
- Built CRUD functionality for adding, updating, deleting, and viewing expense records
- Designed an interactive dashboard to visualize and manage daily expenses
- Improved usability through an intuitive interface and efficient expense management

TECHNICAL SKILLS

Languages: Java, C, Python, SQL

Frontend: HTML, CSS, JavaScript

Backend: Node.js, MongoDB, MySQL, Express.js

Tools: Git, GitHub, VS Code, Docker

Relevant Coursework: Data Structures & Algorithms, Object-Oriented Programming, DBMS, Computer Networks

EXPERIENCE

Acmegrade Pvt. Ltd.

Jun 2025 – Aug 2025

Cyber Security Intern

- Completed a two-month Cyber Security internship focusing on threat analysis and risk management
- Gained practical knowledge of network security concepts and vulnerability assessment
- Participated in technical mentorship sessions and hands-on practical assignments

CODING PROFILES

- Solved 150+ LeetCode problems demonstrating strong problem-solving and competitive programming proficiency
- Strong understanding of Data Structures: Arrays, Strings, Linked Lists, Stacks and Recursion
